

Monthly Monday Message

Lois E. Borchardt Elementary

January 6, 2020

Lifeskill of the month

Teamwork:

When you work in a team, you put your strengths together. Combining your strengths helps you do BIG things!

Upcoming Minimum Days

Wednesday, January 15th

Wednesday, February 12th

Upcoming Holidays

January 20th

Martin Luther King Jr.

February 7th

Lincoln's Birthday

February 17th

Washington's Birthday

Wear your Borchardt Spirit Shirt Every Friday

For the safety of our students...

Borchardt Bears wear tennis shoes every day!

Morning Supervision

Adult supervision begins at 7:55 AM for students eating breakfast and 8:10 on the playground for students not joining us for breakfast. For the safety of our Borchardt Bears, please do not drop students off before 7:50 AM.

A Healthy Start

Breakfast is served to all Borchardt students at no cost every day from 7:55-8:25 AM.

**Office Hours: 8:00 AM to 4:00 PM.
Phone 331-8212**

California Assessment of Student Performance and Progress for grades 3, 4, & 6 is April 21st – April 30th and grade 5 is April 21st – May 6th.

Please plan ahead to have our Borchardt Bears at school every day and schedule appointments for after school. Studies show students perform better when taking the state test during their regular scheduled time and with their classmates. We are required by the state of California to have all students who miss the assessment dates make the tests up at a later time.

Results from these assessments provide information on how our students understand and have mastered their grade-level standards. These results are reported to the state of California, LUSD, teachers, and parents.

Our PTA Movie Night is January 24th! This event sells out very quickly. Look for the PTA note coming home to purchase tickets.

Our upcoming Lunch with Loved Ones is scheduled for Friday, February 21st and Friday, April 17th. Save these dates to join us on the quad to enjoy lunch with your child and our Borchardt families.

The Borchardt Staff will be hosting a Science, Technology, Engineering, and Math (STEM) Family Night! There will be food,

hands on learning stations, an egg drop competition, and lots of family fun to be had! More details about this event will be sent home next Monday.

How is your Child's Lunch Balance?

You can view or add funds to your child's lunch account by going to www.myschoolbucks.com. You can also add funds through sending in a check or cash with your child.

There is an option to complete an application for the Free & Reduced Meal Benefit program at <https://www.schoollunchchapp.com>. Or you may request a paper copy of the application at the front office.

Parking Lot Reminder: Always pull up to the car in front of you or to the sign if you are merging, picking up, or dropping off one of our Borchardt Bears. When cars don't pull all the way up, traffic backs up into the street. **THANK YOU!**
